

# Are you ready to make a difference?

*Our vision: a community where we work together to achieve equity, belonging, health and well-being for all.*

At the Grand River CHC, our **volunteer board of directors** ensures we stay true to this vision through:

- Creating a strategic plan for the organization
- Providing advice on policies, programs & services
- Improving quality, service, and safety through monitoring progress on key targets, providing input, and helping the organization maintain full accreditation
- Reviewing and approving budgets and reports
- Engaging in lively discussion on topics that impact the centre, our clients and the community

**We're recruiting new board members** for terms starting September 2017. To ensure an effective board with many diverse perspectives, we welcome applications from a variety of backgrounds, cultures, ages, life experiences, gender identities/expressions, and skill sets. We offer the opportunity to make a difference, learn new perspectives, meet new people, and enhance community governance.

Are you ready to make a difference? To apply, please see our website at [grandriverchc.ca](http://grandriverchc.ca) or email [churst@grchc.ca](mailto:churst@grchc.ca) by June 9, 2017.

We are grateful for all expressions of interest. Our nominating process will seek to select candidates whose skills and experience fill gaps and complement those of other board members.
