

## **2 Registered Nurses** Memory Clinic Program—One position 2 days per week (.4 FTE), one position 1 day per week (.2 FTE)

We're looking for two registered nurses with a passion for working with older adults for our Memory Clinic team.

The Memory Clinic is an interdisciplinary primary care model that aims to improve dementia diagnosis and care.

Qualifications include:

- Registration with the College of Nurses of Ontario
- 3-5 years nursing experience with experience in geriatrics
- Experience with administering cognitive assessments is essential (eg MOCA, MMSE)
- Experience in program development, implementation, monitoring, and evaluation

For full requirements, see the job description on [www.grandriverchc.ca](http://www.grandriverchc.ca). To pursue this opportunity, please send your resume and covering letter to Human Resources at [resumes@grchc.ca](mailto:resumes@grchc.ca). All applications must be submitted no later than October 13 2017.

We appreciate your interest, however, only those invited for an interview will be contacted.
