

SHELTER HEALTH GRCHC REFERRAL FORM

363 Colborne Street - Brantford, ON N3S 3N2

FAX COMPLETED FORM TO: 519-754-0757

GRCHC provides shelter health primary care support with our Nurse Practitioners and Registered Nurse. Our team provides primary care to people who are homeless or precariously housed and have no family doctor.

REFERRAL REQUIREMENTS

Although a referral is not mandatory, it can assist us in providing improved quality care.

Our referred clients do not require a health card to receive care.

Please check all that apply:

- Follow up after an ER visit
- Mental health and addiction issues
- Pregnant patients with no care provider
- Infectious disease follow-up or chronic disease management
- COVID 19 status _____ (follow-up required)

We do NOT prescribe controlled substances, please do not set up this expectation.

Referral response times can average from 48 hours to 72 hours

TO BE COMPLETED BY REFERRING HEALTH PROVIDER

Patient Demographics (name, age, physical description, where they are staying):

Issues requiring follow-up:

Prescribed medication(s) started in the ER:

Pending investigations or consultations:

SHELTER HEALTH BRANTFORD GRCHC INFORMATION FOR PATIENTS

As a team of health care providers, we support clients who are homeless or at risk of becoming homeless and who have no family doctor or have difficulty getting to see their family doctor.

Clients must be registered at the shelter health clinic sites listed below in order to access the Primary care outreach team to support their medical health issues. The Primary care outreach team will also make connections to the Brantford Downtown Outreach Team (BDOT) and RAAM Clinic. **No Health Card Required**
